## 1.

### HIRING A BRITEX

#### FIND YOUR BRITEX STOCKIST

To locate your nearest stockist, visit:  
[www.britex.com/store-locator](http://www.britex.com/store-locator)

#### VISIT YOUR BRITEX STOCKIST

Visit the customer service / hire desk to begin your DIY carpet cleaning hire process.

#### BRING IDENTIFICATION

Upon hiring you will need to present two forms of identification such as a current driver's license or passport.

#### CHOOSE YOUR LENGTH OF HIRE

The Britex cleaning systems can be hired for 24 or 48 hour periods.

#### TAKE IT HOME

Step 2 and 3 will show you which products you will need to achieve the best results, and Step 4 shows you how to operate the Britex machine.

It's just a few simple steps towards cleaner living!

## 2.

### BRITEX ESSENTIALS

I've got my Britex machine, which cleaning solution do I need?

Once you have your Britex machine you will need to purchase the specially formulated *Britex Carpet Cleaner* and *Britex De-foamer*, to ensure its optimal performance.

For best results and to avoid unforeseen complications use only Britex cleaning products with the Britex DIY carpet cleaning machine.

### How much cleaner do I need?

Britex carpet cleaner is available in 1 litre and 2 litre bottles.

1 litre bottle cleans approximately 60m<sup>2</sup> (approx. 3 average sized rooms)

2 litre bottle cleans approximately 120m<sup>2</sup> (approx. 6 average sized rooms)

Purchase 1 bottle of De-foamer for every 1 litre bottle of Britex Carpet Cleaner purchased.

## 3.

### THE BRITEX FINISH

#### What about my lounge suite?

To revitalise your lounge, furniture as well as car seats; add to your hire the upholstery tool and *Universal Upholstery Cleaner*

The Britex DIY carpet cleaning machine has been approved by the National Asthma Council Australia Sensitive Choice® Program.

So even the most sensitive members of your family will be safer against nasties causing allergen and asthma.
